I will pass your details on to the people in your area so they can provide the help needed.

Please keep this card for future reference

Remember Coronavirus is contagious.

Please take all precautions to stay safe.

HULLAVINGTON HELP COVID-19 VIRUS

In these days of uncertainty, we are trying to make sure that everyone has someone that can help them if they are isolated due to the COVID-19 virus.

Considering this we are sending you a card to keep, which will show you who can help you in this difficult time. We have a team of volunteers who will do all they can.

Please feel free to contact the number on the card and let us know what kind of help is needed. We will put you in touch with the volunteers in your area of the village.

The village shop is willing to help all they can. They will take card payments over the phone if you don't have cash. A basic shopping list with prices will be available from the shop. This can be filled out and sent to the shop. The goods will be delivered to your door and the exact money could be put in an envelope with your name on which can be taken to the shop. This way there is no physical contact.

If you can help others in anyway as you are well and active, please contact:
