

We need volunteers!

Do you enjoy making connections, telephone conversations, and online research?

Marmalade Trust is an award-winning Bristol based charity dedicated to raising awareness of loneliness and empowering people to make connections.

As part of our Marmalade Connections project, we're looking for friendly volunteers to chat on the phone once a week to someone experiencing loneliness. You will provide them with support finding new activities, social connections and friendships in their community. Volunteers will be involved for up to 15 weeks and full training will be provided.
