Welcome to our summer edition!

May and June were full of events in the Village—in this issue we've got reports and pictures from both the School and Church Fetes and the 'Butler' party. All of them were really successful and well attended— thanks to all those involved in keeping these lovely traditions going for everyone to enjoy.

Whilst we're on the subject of gratitude—all of us involved in the Hullavington News would like to express our sincere thanks for your donations—the envelopes were very successful; to date we've received £646.60 which is fantastic and will keep us afloat for a year. Your support and generosity is really appreciated!

In this issue we have the schedule and entry form for the Village Show which takes place on Saturday 31st August. There will be something for everyone to enter and the show secretary would particularly like to encourage more entries from children.

The show takes place before the end of the school holidays so perhaps something to keep them occupied! Some lovely Rosettes have been donated and there will be one for every children's entry (regardless of result). Regardless of age—if you haven't entered before, why not have a go—you don't have to be a serious flower arranger or cook—it's a bit of fun and lovely to see people's contributions. Hope to see you there! Sally

SPLASH PROJECTS

Established in 1989, Splash provides free, positive activities for young people facing 'challenges in their lives'. Splash provides a fun, supportive, encouraging environment where young people can have new, positive experiences, make friends, develop skills and increase their confidence and self-esteem.

Places are being allocated now. For information and registration, type 'splash projects Wiltshire' into a search engine; all the information needed to apply and join in, along with videos and dates of events are shown. Activities include the 'Robin Hood Team Challenge', Mountain Biking, Natural Art Summer and Fishing to name just a few.

What you need to know

- Action Fraud has experienced an increase in the reporting of malicious calls and voicemails purporting to be from Her Majesty's Revenue & Customs (HMRC).
- Fraudsters are spoofing genuine HMRC telephone numbers. They state the victim is liable for prosecution. They suggest this can be avoided by arranging payment immediately by methods such as bank transfer or by purchasing iTunes gift cards.
- If the victim is hesitant or refuses to comply, a threat is made such as immediate arrest, sending bailiffs to the victim's address or, in some cases, deportation.
- In genuine cases, HMRC will make direct contact with you via post/letter. If HMRC contact you via telephone they will quote the reference number on the initial letter. HMRC will **NOT** demand immediate payment.

What you need to do

- Always question unsolicited requests for your personal or financial information. Contact the company directly using trusted methods such as a known email address or phone number.
- Legitimate organisations wouldn't ask you to pay taxes, bills or fees using an iTunes gift card, or any other type of voucher. If you're contacted by anyone that asks you to do this, you're likely the target of a scam.
- Don't be rushed or pressured into making a decision. Under no circumstances would a genuine bank or some other trusted organisation force you to make a financial transaction on the spot.
- Report Phishing attempts. If you receive a call, text or email of this nature and have not lost money, you can report this as phishing to Action Fraud.

FURTHER INFORMATION RE “OUR” AIRFIELD

The ‘Masterplan’ application 17/08271/OUT was first submitted to Wiltshire Council in August 2018. It was there for all to see and comment on at the presentation held in Hullavington Church last September which was attended by Dyson representatives and more than 100 people from the village. Since then, separate applications for various works included within the Masterplan have been submitted and approved - for example:

18/08308/FUL. Land adjacent to Hangars 85 & 86; Erection of building to provide staff cafeteria.

18/08273/FUL. Provision of a new access arrangements to site, comprising a re-aligned section of C1 road and new roundabouts at both the junction of the A429/C1 road and on the C1 road.

18/08721/OUT. Scroll down to see Landscape figure 9 showing a masterplan of the airfield showing what other things are proposed in the future.

19/02543/FUL. Is under consideration by the Planning Officers. This shows the construction of a new hangar, extension to the existing runway and the provision of runway lighting and fencing.

All the details for any of these applications can be found by clicking on the relevant links. Work on the long awaited roundabout at the A329/C1 Junction will be starting in the not too distant future. It will certainly make exiting that junction much safer.

Rural Area Burglaries

We are appealing for you to be vigilant when securing your homes and observant towards neighbouring properties following the continued series of burglaries in the North of the County. There is no common thread as some are during the daytime and others are overnight. Generally the thieves are looking for small items that they can easily conceal. Larger items or technology that can be easily traced are being left behind. If you have any information, please ring the Wiltshire Police on the non-emergency number 101 or Crime stoppers anonymously on 0800 555 111. *Andrew Singfield (PCSO, Wilts North Community Police).*

Village Voices

This community singing group was started by Chris Samuel (who grew up in Hullavington) and the main emphasis is on singing for its own sake and having a great afternoon. The enjoyment from singing together and learning new, exciting material is incomparable - you'll always leave with a spring in your step and glow in your heart! Songs are learnt by ear – no need to read music and there are no auditions or solos. Chris believes that everyone has a voice and he'd like to show you that everyone can enjoy the thrill of harmony singing. The group sings global harmonies, pop, gospel, jazz and soul with optional performances, in the village or further afield.

It's best to start at the beginning of term, but we welcome new members throughout the year - we could particularly do with a few more bass voices!

Book Club

April - 'The Husband's Secret' by Liane Moriarty

Mother of three, Cecillia discovers an old envelope in the attic. Written in her husband's hand, it says: *to be opened only in the event of my death*. John-Paul isn't dead, but curiosity eventually gets the better of her. Cecilia opens the envelope and reads the letter within. Time stops.

Some readers enjoyed the style of writing and found humour in the pages, others couldn't empathise with the characters. "I found the beginning frustrating, it took too long for her to read the letter and also too long for the link between the three characters to become clear. I did enjoy the actual contents of the letter as I was not expecting that!" "I wasn't very positive about Husband's Secret. I looked up online reviews and mostly, they are glowing! Very easy reading suitable for the beach."

May - 'Origin' by Dan Brown

Harvard Professor Robert Langdon arrives at the Guggenheim Museum to attend the unveiling of an astonishing scientific breakthrough. But before the secret can be revealed, the meticulously orchestrated evening is blown apart. With his life under threat, Langdon is forced to flee, aided by the museum's director, Ambra Vidal. The book was enjoyed by most of the group, which was a surprise for some. Comments: Dan Brown's novels are predictable, and the writing style sometimes too rapid. "The settings, the Guggenheim Museum, Bilbao, Basque Country, Spain, and Barcelona were recognisable".

Book Group meets at the VH on the afternoon of the second Tuesday in the month at 2.00 pm. Books are supplied by the mobile library service, no membership fee. £2.00 per session, includes refreshments. We also enjoy a monthly '**Film of the Book**', first Monday evening of the month, in the side room at the village hall, 7.00 for 7.30 pm. £2.00, including refreshments.

GOLDENTHREADS

A very enjoyable afternoon was held at Mary's for our June meeting. Best wishes were sent to Janet who was visiting Peter who is currently recovering in hospital and a lovely postcard from Ali was passed around.

The letter 'B' item was the topic. Di had brought a beautifully illustrated book of birds that was well loved and used extensively when her daughters were young. Alex brought a ball that she had bought for her family Labrador who used to thoroughly enjoy fetching it but not giving it back! Mary produced a small Brass boot ornament, given as a wedding present by a client, although when another was purchased sometime after to 'make a pair' they were both right ones! Nick had a pair of Bronzed baby shoes that belonged to his baby sister Elizabeth who died at the age of 2 in 1944—he had found them whilst clearing his Mother's house after her death, and they had been bronzed by his other sister Denny. Eileen brought a couple of bags she made from a long black skirt; she had personalized by embroidering butterflies on them. She had also made an evening clutch which now fits her iPad!

Ali had kindly provided some delicious scones before she went off to the Scottish Isles that rounded off the afternoon nicely.

The Hullavington WI has been having a busy time recently. The Scrabble team reached the finals of the Federation Scrabble competition and on a sunny June evening at Bromham came 2nd in the County. It was a very enjoyable evening and we are now looking forward to taking part in the next year's league which will begin in October.

The Skittles team will soon be participating in next season's league. At the Centenary event at Rowdeford school Rosemary Mace and Edith Cook both gained awards. Our next Centenary event will be the Service of Celebration at Salisbury Cathedral where the newly formed WI choir (which includes 2 of our members) will be singing three celebratory songs.

Indian cookery was demonstrated by Nadim Desai at our July meeting whilst in August our meeting will be in Sarah Harmer's garden, when we have a summer tea party and an auction.

In September we will be visiting Malmesbury museum and former Moravian church.

We meet on the third Wednesday of the month at 2pm in the Village Hall and new members and visitors are always welcome.

Favourite Recipes

Banana 'healthy' mini muffins

2 large or 3 small ripe bananas

2 eggs, 45g fine porridge oats

60ml milk (or milk alternative)

1 tbsp milled flaxseed, 1 tbsp coconut oil or butter

2 tbsp desiccated coconut (or ground almonds/peanut butter)

pinch of salt

- Preheat oven to 180c/160c fan
- Mash bananas in a large bowl
- Add the eggs, pinch of salt, milk & flaxseed, mix well
- Coat a 12 cup mini-muffin tin evenly with the oil or butter
- Sprinkle the coconut (or almonds) into the base of each cup
- Spoon the mixture into each
- Bake for 15-20 mins until golden brown

Yummy but not too sweet, a healthy treat. They freeze well, perfect for lunch boxes and picnics. I sometimes add some vanilla essence and grate a bit of 85% chocolate for flavour. The picture shows baking cups but they cook fine straight in the tin—enjoy!

Funding available to homeowners & landlords for home improvements

Wiltshire Council would like to make residents aware of funding that is available to make improvements to homes in our area.

Homeowners and landlords can apply for a loan to make improvements to their homes. Essential home repairs such as a replacement boiler, new windows and doors, roof repairs (including thatch), plumbing, heating or electrical works and even structural repairs are included under the scheme.

Everyone receives the same interest rate, whether you borrow £1,000 or £15,000 and no matter what your circumstances or credit score. Eligible homeowners choose their own contractor and there are a variety of loan products available to suit individual needs*.

The scheme is delivered through Wessex Resolutions, a not-for-profit lender that works in close partnership with the council. Established in 2003, Wessex Resolutions has helped many homeowners throughout the South West, lending almost £13.6 million. A recent client said "I had no idea the scheme existed until I contacted the Council. When my adviser visited me and explained everything perfectly it was a huge burden lifted from me – loan repayments that I can afford and the efficiency with which it was all arranged. I am truly grateful to all concerned."

For more information, call Wessex Resolutions on 01823 461099, visit www.wessexresolutions.org.uk or email enquiries@wrcic.org.uk.

(*subject to eligibility)

Loans have a fixed interest rate and typical 4.2% APR. Missing payments could affect your credit rating and ability to obtain credit in the future. Loans are typically protected by a Title Restriction and are subject to status.

Wessex Resolutions C.I.C.: a community interest company limited by guarantee, registered in England, company number 4512225. Registered address: Heatherton Park Studios, Bradford on Tone, Taunton TA4 1EU. Wessex Loans and Wessex Home Improvement Loans are trading names used by this company. August 28th - Fisherman's Friends

2019 Certificate 12, 1 hour 52 minutes

September 25th - On The Basis of Sex

2019 Certificate 12, 2 hours

This film tells an inspiring and true story that follows young lawyer Ruth Bader Ginsburg, (born in Brooklyn, New York in 1933), as she teams up with her husband Marty to bring a groundbreaking case before the Supreme Court and overturn a century of gender discrimination. Starring Felicity Jones as Ruth and Armie Hammer as Marty.

Film Group EXTRA

A chance to catch up with some 12 and 15 certificate films. Once a month, Friday evenings, side room at the Village Hall. £2.00 members. £4.00 visitors. Dates: 16th Aug & 13th Sep. Please contact Elizabeth Parry Williams for details.

POETRY GROUP

At the June meeting the poet of choice was UA Fanthorpe, whom we can almost claim as a local poet, a poet whose work was described by Stephen Fry as “clear-eyed”. Her poetry reflects the breadth of her education and had us looking up places, (The Burren) and characters, (George Fox) while appreciating the elegance of her words which could stand alone.

And now for some sad news. After thirteen years of the Poetry Group in Hullavington, I have regretfully decided that I can no longer continue to run it. Two years ago I took over a flourishing group from Eileen Fry, whose idea it was in 2006, and we have had some amazing afternoons discussing the works of a huge variety of poets. It has been a privilege to share the enthusiasm and wisdom of fellow participants, and I have developed a theory that an interest in poetry keeps the brain sharp, as a third of our group are over 90 years old.

There will be no poetry meeting in July, but we would like to go out trailing clouds of glory, so we will have a farewell party in the Village Hall on Wednesday 14th August from 3-5pm, to which all members of the poetry group, past and present, are invited. Just bring along a favourite poem to share.

Maggie Dyson

Thanks for running the Group Maggie!— Ed

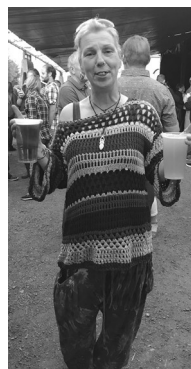

The 'Butler Boys' Party

On Friday 21st June Tim and Mark Butler aka "the Butler boys" held a party at Court Farm to celebrate their birthdays. It is the 33rd year that this event has been held. Everyone in the village - long time residents and newcomers young and old were invited.

It is always a well organised occasion giving an opportunity to mix and mingle with others in the village. There was live music, a licensed cash bar and locally produced food available. Thanks to Maggie

Bawden for advertising the event. I went along with some friends and it was a great evening—it's very generous of them to host it, thanks! *Ed*

The weather held good for the **Hullavington Church of England Primary & Nursery School spring fete**. Villagers and other supporters of the school enjoyed the huge range of games, stalls, and of course the popular BBQ.

This year the traditional 'Wet Sponge a Teacher' feature was replaced by 'Pie the Teacher in the Face'. Mr Mead and Mr

South made the finals by getting the most nominations from the kids. They then had to answer obscure questions about the Headteacher, Mrs Tudge, to avoid getting pied, much to the amusement of the children (and adults)!!

Many thanks to the HSA, school staff and other volunteers for making it such a memorable day. Also a big thank you to 9 Regiment at Buckley Barracks, Dyson and The Flying Monk Brewery, along with all the companies who contributed something to the raffle. *Lara Chapman and Ben Raskin.*

★HAPPY★ BIRTHDAY!

Well known and loved by many in the village and beyond, the ever youthful John & Carolyn Samuel celebrated their joint 80th birthdays recently; most of us would be delighted with half of their energy and enthusiasm! They enjoyed more than one celebration with family and friends in the sunshine in their beautiful garden. In the photo above, they're holding a fabulous cake made by Sheila Greenman—the likeness of the figures was uncanny! Many congratulations to both of you! *Ed*

What a happy day at the **Church Fete** - the sun shone and it was wonderful seeing so many families enjoying all the activities - every shape and size of dog parading and I think loving the day just as much as the rest of us! Cain and Superstar were heroes too, giving children rides round the lake oblivious to all the jollities going on around them.

The day simply couldn't have gone ahead without a huge army of wonderful people

helping. Thank you to everyone who contributed towards the day.

I know everyone will also

join me in wanting to thank Henny and John Metters for being such generous hosts. Was there ever a more idyllic setting for an English fete? The garden looked beautiful and to sit eating a cream tea looking over the lake with the church behind is what dreams are made of. Thank you to you all for your support—we raised a whopping £4021.39! 124th Somerford & District Show on Saturday 10th August 2019

Horticultural Whether you've a prize allotment or a modest veg patch in your back garden, expansive borders or a few pots of beautiful flowers ... why not enter them in the Horticultural category in the Somerford Show!

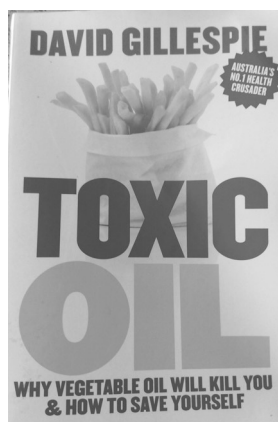

Full schedule including list of classes, rules, details on how to enter and entry form is available on the Somerford Show website www.somerfordshow.com under the Horticultural section.

While most of the classes are open to all, Division 2 in the Horticultural competition is open only to our LOCAL district of Little and Great Somerford, Brinkworth, Christian Malford, Cleverton, Corston, Dauntsey, Draycot, Grittenham, Hullavington, Kington Langley, Langley Burrell, Lea, Malmesbury, Rodbourne, Seagry, Startley, Sutton Benger. Plus we now have fun children's classes for the 16 and under, to inspire the next generation of green fingers.

Industrial Don't forget you can enter other items too in the Show Tent ranging from needlework & knitting, cooking, art and children's classes. All details on the Somerford Show website (as above) under the Industrial Section.

Food for thought....

‘Polyunsaturated oil—everyone knows it’s good for you, right? Wrong! And we all know artery-clogging, cholesterol-forming saturated fat is bad for you, don’t we? Wrong again!’ ‘Vegetable oil, which isn’t made from vegetables at all, but manufactured from seeds, has systematically replaced saturated fats in our diets over the past 100 years, but our rates of obesity heart disease, diabetes and cancer are higher than ever.’

So says David Gillespie in his latest book. The interesting thing about the author is that he isn’t a medical doctor or scientist but a corporate layer in the IT industry. In his quest to discover why he, like so many of his generation was fat, he deciphered the latest medical findings on diet and weight gain, and what he found was chilling. ‘Vegetable’ oil makes you exceedingly vulnerable to cancer. ‘You are eating it because it is much cheaper to make food with oils that are chemically extracted from plant seeds than it is to raise and slaughter an animal or grow a coconut tree’. The reason he wrote the book is compelling: ‘I am telling you this because if you knew this (and could prove it) and didn’t tell me and my family, I’d be furious with you.’

By vegetable oil he specifically means seed oils i.e. Corn, rape-seed oil etc. Hydrogenated versions or ‘trans fats’ as they’re known are even worse. Unlike crushing oil from fruits such as olives, in order to get oil from seeds it needs several processes: *cleaning and grinding* to produce ‘meal’, *pressing* where the meal is heated, *solvent extraction* where it’s treated with chemical solvents, *decolouring* where it’s mixed with an

alkaline such as sodium hydroxide, *degumming* where it has steam and acid bubbled through it to remove phosphatides, *bleaching* to lighten the colour and finally, *deodorising* where steam is passed over the oil in a vacuum at 250°C. This causes the volatile taste and odour to distil from the oil. Quite a scary process.

So what should we eat? For high smoke point cooking he recommends: Ghee, refined coconut oil, extra light olive oil, lard and butter. For drizzling over a salad, stick to something like cold pressed, virgin olive oil.

There's way more in the book than I can precis in a short article and clearly it's one person's opinion; it does seem to be in line with recent nutritional advice but I'll leave it to you to decide—it's certainly made me think hard about the choices I make at the supermarket, definitely food for thought..... *Ed*

Hullavington Neighbourhood Plan

Your Future, Your Say, Our Neighbourhood

Latest Update: Hullavington's Neighbourhood Development Plan has passed the latest and penultimate stage of the process, independent examination. The Plan met all the legal requirements with only a few very minor changes required.

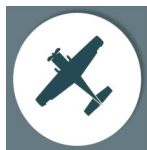

For the last 3½ years, we have engaged with you the community, to ensure the Plan reflects your wishes.

We have reached the Parish Referendum which is the **FINAL** stage in the process. The Electoral Commission now takes over, organises the ballot papers, voting process, the final count and publishes the result on the Wiltshire Council web site.

As soon as we know the date for the Referendum we will let you know. For those that wish to view the plan, it is available from the website: <http://hullavington-ndp.co.uk/regulation-16-submission-documents/>

Please vote—it is your final chance to have your say!

Many thanks to the whole team for all your hard work on our behalf! Ed

Planning a holiday or weekend away? Worried about putting your cat into a cattery?

Why not let me come and visit your cat once or twice a day? I'll make sure to give her lots of fuss and attention, and everything else she needs. Most cats prefer to be in the familiar and comfortable surroundings of their own home, finding it much less stressful than a cattery. I can also come and look after other small animals such as rabbits, guinea pigs and chickens etc.

Having someone come in to look after your pets also helps with security, and I'm happy to open and close curtains, turn lights on, pick up post from the doormat etc.

I am a reliable, caring, responsible, friendly animal lover, who would love to help you and your four-legged friends!

I also offer dog care services which include walks on or off the lead, or coming out to your house to let them out in your garden for a run around, fuss and a feed etc.

Please take a look at my website and read my feedback from satisfied clients, or email me at caroline@muddypawpaws.co.uk, or phone me on 07929 774497.

“Meet the Villager”

***A light hearted chat with a ‘local’
about their time in Hullavington***

In this edition we meet Graham McDougal.

My wife, Hilary and I have now been living in Hullavington for nearly three years and it has been a most wonderful experience. Many people have asked us why we chose to live here and our answer has always been the same—it ticked all the boxes.

When we decided to move from our house in Horsham, West Sussex where we had lived for over 30 years, we both agreed upon a number of criteria for our new home. First of all, it had to be in a small friendly environment, communications such as a local bus service were important as was a local shop and a village pub. Road and rail connections were also a prime consideration and of course so were the proximity of larger towns, coupled with the need for beautiful surrounding countryside. Hence our move to Hullavington.

Both of us are retired but continue to be very active. I had worked for major global companies in HR and then Facilities Management for most of my working life. Hilary, my wife worked in the education sector as an IT manager and prior to that in the airline industry. Very hectic and demanding jobs.

One of the major plus points of the village is the number of local social groups which exist. We joined the film club within the first month of living in Hullavington and I volunteer at the Athelstan Museum in Malmesbury. We became Friends of the Museum and I also belong to the Malmesbury History Society. Hilary joined the WI and also participates in table tennis, skittles and scrabble as well as singing with the Village Voices. So, all in all we have a very busy social life and have been really welcomed into the village.

We have never regretted the decision to leave the South East and move to Wiltshire, it is all that we would have wished for. Our three grown up children love to visit and spend time with us in the relaxing and peaceful environment that is Hullavington.

Guilty pleasures? – Watching vintage black and white movies.

Who would play you in a movie of your life? – George C Scott.

If you could change one thing in the village? – Introduce a 20mph speed limit.

Dream dinner party guest? – Peter Vaughan who played 'Grouty' (met him once, lovely guy).

Advice to teenage self? – Don't take life too seriously.

Cat or dog? – Neither.

Happiness is? – Sitting in my back garden on a warm summer's evening.
