Dear neighbour,

Happy Lands Cutting – Embankment works

We wanted to provide an update following our earlier letter about work to stabilise the cutting slopes near Hullavington.

As a reminder we will be removing vegetation to set up our compound and installing rock netting for stabilisation.

Please note there will also be a road closure in place from 3 May to 8 November 2024 (please see overleaf for more details)

Work will take place over a mixture of shifts during the day and night (see below for more detail), Monday to Friday and overnight on Saturday nights when trains aren't operating, so our teams can work safely, but please be aware these dates may change.

Date of shifts	Time of shifts
April – Friday 29 November 2024	Week Days 7.30am – 6pm
	Week Nights 10pm – 6.30am
	Weekend Nights 10.45pm – 8am

The nature of our work often means some noise is unavoidable. We're aware we will be working close to your home and will try to minimise this as much as possible, but we're sorry if we do disturb you.
